

# AVerVision 355AF

Portable Document Camera

**AVerMedia**<sup>®</sup>

in no time

## Product Description

Dazzle your students with the AVerVision 355AF Interactive Document Camera, the FIRST 5 megapixel portable document camera boasting full 1080p High Definition output, 10X AVEROPTICAL Zoom and full, 14" x 11" page viewing! One-Touch Audio/Video recording and image capture can be saved to a USB Flashdrive or SD Card. You can even capture a true 5MP image for the highest print quality! Exclusive AVerBox and AVerVisor presenter features, plus Picture-in-Picture viewing provide additional visual options. Complete with the NEW AVer+ Interactive Software for both MAC and PC, providing interactive features designed to further enhance lessons, presentations and demonstrations. Object oriented annotation combined with project tools, LAN network sharing, enhanced interactivity with all major interactive whiteboard brands and full integration with AVerPen Interactive Collaborative Classroom Solution.
